

## BRIGHT ART 2020 CHALLENGE RULES

Page 1 of 2

### Open-Ended Skills Challenge

The "Bright Art 2020" challenge is an open-ended skills challenge which does not offer a prize, however entries in this challenge will be displayed in the gallery. Your participation in this Challenge is governed not only by these Challenge Rules BUT ALSO by the [GENERAL RULES](#), which are incorporated herein.

### The Challenge

Your challenge is to create a piece of art using a battery-powered LED light source that demonstrates at least two interactions with light. In addition to your LED light source(s), you can use materials that may include recyclables, trash, borrowed objects (each of which is no more than \$10), and items found in nature. Your submission must include a video demonstration (max 30 seconds) that shows off your art work and a text description that explains your design and its light interactions. For student safety, no lasers are allowed. Please do NOT include your voice or face in your video. Be brilliant... and good luck!

### Who Can Enter

Residents of the United States who are registered students in grades kindergarten through twelfth grade attending a public, private, or home school in the United States (including U.S. Territories or Possessions) are eligible to enter (eligible "Participants").

### Privacy Rules

Submissions will be reviewed for online privacy and student safety prior to being displayed in the gallery. Entries that moderators find not to be compliant, for example that contain personal information, may be flagged for resubmission or rejected. For example:

- NO FACES OR VOICES!** Please showcase your invention in your video. Do NOT include faces or voices in your video. Stock background music is allowed.
- NO NAMES OF PEOPLE!** Don't write your full name, or anyone else's full name in your entry. Referencing significant figures (eg. a scientist, artist, or engineer) is OK in your essay if needed to factually explain your entry in your short essay.
- NO LASERS and NO HUGE BATTERIES!** Please be safe and only use use AA, AAA, C, or D cell batteries. Phone flashlights are also allowed.
- NO SCHOOL NAMES!** Don't include your school name or class name in your submission.
- NO ADDRESSES, SCHOOL NAMES, or LICENSE PLATES!** Don't tell us where you live, where you go to school, or show a license plate in your entry.
- NO CONTACT INFO!** Don't include any phone numbers, email addresses, social media usernames, etc.
